Claim Rejections - 35 USC § 102

1. Claims 1,34 are rejected under 35 U.S.C. 102(e) as being anticipated by Natarajan et al.

See previous office action.

Claim Rejections - 35 USC § 103

2. Claim 50 is rejected under 35 U.S.C. 103(a) as being unpatentable over Natarajan in view of Siegel et al '426.

See previous office action.

3. Claims 25-27,51-53,55 are rejected under 35 U.S.C. 103(a) as being unpatentable over Natarajan in view of Olson '084.

See previous office action.

4. The declarations filed on 8/2/04 under 37 CFR 1.131 have been considered but is ineffective to overcome the Natarajan reference.

5. The evidence submitted is insufficient to establish diligence from a date prior to the date of reduction to practice of the Natarajan reference to either a constructive reduction to practice or an actual reduction to practice. There are insufficient facts set forth in the declarations submitted to establish that applicant had the requisite diligence from the date of conception to the reduction to practice. Further, no supporting documentation has been submitted.

6. The evidence submitted is insufficient to establish a conception of the invention prior to the effective date of the Natarajan reference. While conception is the mental part of the inventive act, it must be capable of proof, such as by demonstrative evidence or by a complete disclosure to another. Conception is more than a vague idea of how to solve a problem. The requisite means themselves and their interaction must also be comprehended. See *Mergenthaler v. Scudder*, 1897 C.D. 724, 81 O.G. 1417 (D.C. Cir. 1897). As mentioned supra, no supporting evidence has been submitted which support the assertions in the declarations.

7. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
